

F. Graduate and Professional Preparation

Specific undergraduate course work is often required for admission to graduate and professional programs. St. Thomas students have the opportunity to include in their undergraduate programs not only the courses required for admission to the St. Thomas professional programs, but also those required for a broad range of graduate and professional programs offered by other Canadian universities. Examples of the professional programs for which St. Thomas students can qualify include:

| | | |
|---------------------------|----------------------|---------------------|
| Architecture | Journalism | Psychiatry |
| Business Management (MBA) | Law | Public Relations |
| Communications Disorders | Law Enforcement | Social Work |
| Counselling | Medicine | Veterinary Medicine |
| Dental hygiene | Occupational Therapy | X-ray Technology |
| Dentistry | Pharmacy | |
| Education | Physiotherapy | |

Admission to these programs is generally limited and competitive. High academic standing is required. A summary of the University courses generally required for admission to these professional programs can be obtained from the St. Thomas Admissions Office. Students should also consult current calendars for details regarding specific prerequisites and application deadlines at the graduate and professional schools to which they intend to apply.
