For international students who are not eligible to be insured under provincial hospital and medical plans, the University health plan also helps cover the costs of basic medical and hospital expenses. Fees for these plans are established over the summer months.

Participation in the student health plan is mandatory unless proof of other medical insurance is presented upon registration. Proof of other medical insurance is required to be presented on an annual basis for returning students who wish to opt out of the student health plan. Additional coverage for dependents is available at an extra cost. Coverage under the health plan extends from September 1 to August 31 of the following year.

Full-time students in the regular academic session (September-April) may make payment in one installment in September, or in two installments at the beginning of each term. At a minimum, the September payment should include 50% of the tuition fees plus the full student union fee. An administration fee (\$20.00 in 2024-2025) is charged when tuition fees are paid in two installments.

*Note: Students who have registered for the fall semester must adhere to published deadlines for payment of tuition and fees in order to hold their registered courses. Failure to do so will result in the loss of registered courses.*

### 2. Scholarship and Bursary Students

Registration is not complete until fees have been paid or a satisfactory arrangement has been made with the Registrar's Office. Scholarship students should notify the Registrar's Office of their acceptance of their scholarship in order to complete their September registration requirements. Students depending on government student aid programs are reminded that their applications should be submitted to the student aid offices at least two months prior to the date of registration in order to allow time for processing.

### 3. Interest Charges

Interest will be charged on all overdue accounts at a rate set by the University, not to exceed 1.5% per month, on the balance owing.

### 4. Outstanding Accounts

Students who have outstanding accounts will not be permitted to receive an official transcript of their record or be recommended for any degree or diploma until fees, fines, and any other accounts owed to the University are paid.

### 5. Withdrawal from University: Refund Policy

Students who withdraw from university before the end of the academic year may qualify for a refund of a partial portion of their fees. Arrangements for refunds of fees must be made with Financial Services. Before a request for refund of any portion of the tuition fee is entertained, students must obtain a notice from the Registrar's office confirming their withdrawal from university. The effective date of withdrawal is the date on which the Registrar accepts the withdrawal. Dates and deadlines for refunds can be found here: <https://www.stu.ca/registrar/dates-and-deadlines/>
